

Nothing has to be conventional

Electrical Accessories – International Design with Nonconventional Approach

Display Stands

A well-thought display, functionality and simple usage

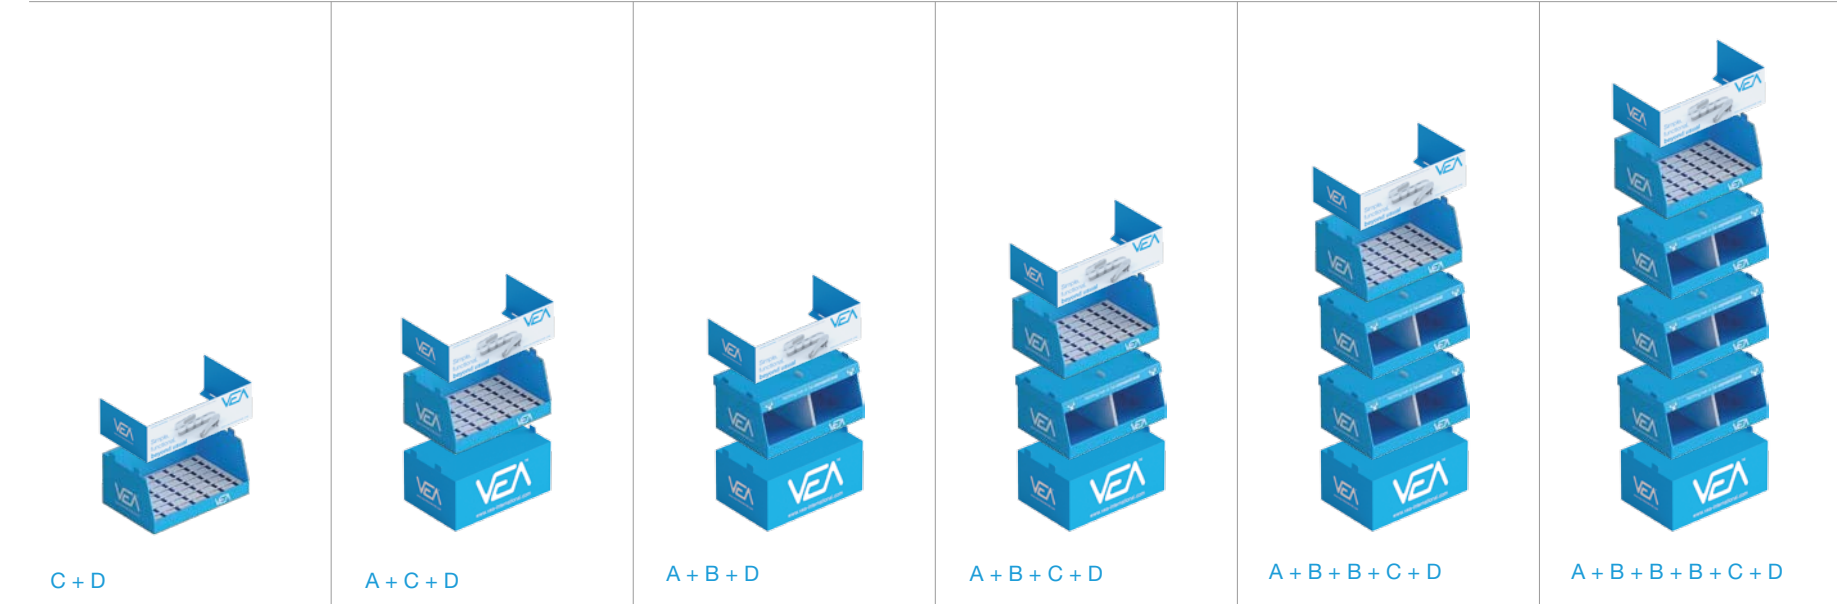

The VEA stand is robust and handy. Thanks to the modular design and the branding space, it fits every point of sale.

Number of products in the cell units

| | | | |
|------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
|  <p>A: 590 x 390 x 275 mm</p> |  <p>B: 590 x 390 x 275 mm</p> |  <p>C: 590 x 390 x 275 mm</p> |  <p>D: 590 x 300 x 200 mm</p> |
|------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
